**Location:** Jervis Bay Rooms 1-3, Level 3, Nowra Administrative Centre, Nowra  
**Time:** 4.30 pm

### Addendum Agenda

#### Reports

SN16.11 Member Resignation - Thomas Booler .....1

## **SN16.11 Member Resignation - Thomas Booler**

**HPERM Ref:** D16/371293

**Group:** Corporate & Community Services Group  
**Section:** Human Resources, Governance & Customer Service

### **Purpose / Summary**

To advise the Shoalhaven Natural Resources and Floodplain Management Committee that Council has received resignation from Mr Thomas Booler.

### **Recommendation**

That:

1. The Membership resignation of Thomas Booler be accepted and that he be thanked for his contribution to the Shoalhaven Natural Resources and Floodplain Management Committee.
2. That Council advertise the vacant community representative position.

### **Options**

1. As recommended  
Implications: upon accepting the resignation, a community member position will become vacant and require advertising.
2. An alternative recommendation

### **Background**

On Wednesday 20 July 2016, Council received an email from Mr Thomas Booler notifying that he wished to resign as a member of the Shoalhaven Natural Resources and Floodplain Management Committee.

Mr Thomas Booler advised he has *“enjoyed representing Burrill Lake since 2005 on what was, for the most part, the Far South NRFMC. Participating in, and providing input to, locally held meetings that addressed the objectives of the NRFMC specifically in respect of Burrill Lake (and Lake Tabourie) has been interesting and rewarding. In hindsight, however, [he] thinks the re-formed Committee would be better served by a community representative more in tune with big picture (whole of Shoalhaven) thinking rather than the narrower, very localised issues that interest [him] at this time. [He] continues to have a strong interest in maintaining a healthy balance between preservation and public enjoyment of the local environment and would be pleased to participate in any local forums/sub-committees if the opportunity arises in the future.”*

**Community Engagement**

Council will advertise the position on PowerFM and 2ST and in the South Coast Register and Milton Ulladulla Times after the Council Ordinary Meeting.

**Financial Implications**

Council will advertise the position on PowerFM and 2ST and in the South Coast Register and Milton Ulladulla Times after the Council Ordinary Meeting.
