**Location:** Jervis Bay Room 3, City Administrative Centre, Bridge Road, Nowra  
**Time:** 9.30 am

## Addendum Agenda

### Reports of the Convenor

TC17.56	Signage and Line Marking Improvements - Rannoch Drive, West Nowra (PN 3379) .....	1
---------	--	---

## **TC17.56 Signage and Line Marking Improvements - Rannoch Drive, West Nowra (PN 3379)**

**HPERM Ref:** D17/219926

**Convenor:** Martin Upitis

**Attachments:** 1. TRAF 2017/57 - Signage & Line Marking Improvements - Rannoch Dr West Nowra [↓](#)

### **Recommendation**

That the General Manager (Director Assets and Works) be requested to arrange for the following items, at the intersection of Yalwal Road and Rannoch Drive, West Nowra, as detailed in the attached plan TRAF 2017/57:

1. Extend the western No Stopping zone 9m south
2. Extend the eastern No Stopping zone 4.5m (approx.) south
3. Extend the existing double barrier (BB) centre line marking 3m (approx.) south
4. Install Give Way signage and associated (TB/TB1) hold line markings at the intersection of Yalwal Road and Rannoch Drive.

### **Details**

Council has been requested to extend the existing No Stopping zone on Rannoch Drive at its intersection with Yalwal Road, West Nowra.

Concerns were raised regarding vehicles parking adjacent to property number 2 Rannoch Drive. Parking in this location may cause conflicts with two-way traffic flow and require motorists to cross the double barrier line marking when travelling south along Rannoch Drive.

It is noted that as this is the only access for the subdivision and with traffic volumes increasing (currently exceeding 1000 movements per day), parking in this location is not appropriate.

In view of addressing the concerns raised, Council is proposing to extend the existing No Stopping zone from its current location to approximately 9m south (both sides) and the double barrier centre line marking 3m (approx.) south.

In addition to this Council is proposing to install a Give Way control and associated TB/TB1 hold line markings at the intersection of Yalwal Road and Rannoch Drive to improve delineation of the central median island.

Consultation was carried out with the affected property owner.

Traffic Unit Staff, RMS and Police met with the affected property owner, no objection was received following the on-site meeting.
