A rescission motion was received on this item.</p> <p>The rescission motion was lost, and as such, Council's resolution of Tuesday 28 August 2018 (MIN18.646) stands.</p> <p>This means that the provisions requiring communal open space (including the requirement for accessible communal open space) have been deleted, and the standards for universal design have been reduced. The universal design provisions do not apply to dual occupancy development (only developments with 3 or more dwellings), and a silver standard has been adopted for adaptable housing only.
