The Roads and Maritime Services (RMS) has delegated certain powers to Council under the Transport Administration Act 1988 (Section 50). A condition of this delegation is that Council must take into account the Traffic Committee recommendations.

- NSW Police Force
- RMS
- Shoalhaven City Council
- Local State Member of Parliament (for the location of the issue to be voted upon)

If the RMS or NSW Police Force disagrees with any Traffic Committee recommendation, or Council's resolution (on any Traffic Committee recommendation), they may lodge an appeal with the Regional Traffic Committee for determination. The appeal must be lodged in writing within 14 days of the date of notification in writing. Any action relative to any issue under appeal must cease until the matter is determined. The Regional Traffic Committee is chaired by an independent chairperson and submissions and representations are welcomed from all interested parties.

Recommendation

That the General Manager (Director Assets and Works) be requested to arrange for the installation of the following parking restrictions in North Street and West Street, Nowra as detailed in the attached plan TRAF 2017/12:

Details

Council has been requested to review parking restrictions at the intersection of North Street and West Street, Nowra.

In view of addressing the concerns raised, Council is proposing to install a No Stopping zone on the south eastern corner of the intersection, 27m on the southern side of North Street and 10m on the eastern side of West Street.

The impact of the proposal will mean the loss of one car parking space on North Street, however it will improve sight distance to motorists exiting West Street.

Consultation was carried out with affected property owners / residents.

No submissions were received
