## SF17.18 Cities Power Partnership

HPERM Ref: D17/260521

Submitted by: Cllr Gartner

### Recommendation

That Council

1. Decide to partner with other South East Coast Councils through this program i.e. Kiama, Eurobodalla and Bega Valley
2. Call a meeting of Mayors and General Managers of these Councils, to take place by mid-November, to formalise this partnership.
3. Staff establish formal liaisons with partner Councils for information exchange and joint project funding and management.

### Details

Council has joined the Cities Power Partnership along with Kiama, Eurobodalla and Bega Valley Councils. A benefit of the CPP is partnering with other Councils. By partnering with our neighbouring Councils, we will be in a position to share resources, build joint projects and engage bulk purchasing power.
