## LOCAL GOVERNMENT ACT 1993

### Chapter 3, Section 8A Guiding principles for councils

#### (1) Exercise of functions generally

The following general principles apply to the exercise of functions by councils:

- (a) Councils should provide strong and effective representation, leadership, planning and decision-making.
- (b) Councils should carry out functions in a way that provides the best possible value for residents and ratepayers.
- (c) Councils should plan strategically, using the integrated planning and reporting framework, for the provision of effective and efficient services and regulation to meet the diverse needs of the local community.
- (d) Councils should apply the integrated planning and reporting framework in carrying out their functions so as to achieve desired outcomes and continuous improvements.
- (e) Councils should work co-operatively with other councils and the State government to achieve desired outcomes for the local community.
- (f) Councils should manage lands and other assets so that current and future local community needs can be met in an affordable way.
- (g) Councils should work with others to secure appropriate services for local community needs.
- (h) Councils should act fairly, ethically and without bias in the interests of the local community.
- (i) Councils should be responsible employers and provide a consultative and supportive working environment for staff.

#### (2) Decision-making

The following principles apply to decision-making by councils (subject to any other applicable law):

- (a) Councils should recognise diverse local community needs and interests.
- (b) Councils should consider social justice principles.
- (c) Councils should consider the long term and cumulative effects of actions on future generations.
- (d) Councils should consider the principles of ecologically sustainable development.
- (e) Council decision-making should be transparent and decision-makers are to be accountable for decisions and omissions.

#### (3) Community participation

Councils should actively engage with their local communities, through the use of the integrated planning and reporting framework and other measures.

### Chapter 3, Section 8B Principles of sound financial management

The following principles of sound financial management apply to councils:

- (a) Council spending should be responsible and sustainable, aligning general revenue and expenses.
- (b) Councils should invest in responsible and sustainable infrastructure for the benefit of the local community.
- (c) Councils should have effective financial and asset management, including sound policies and processes for the following:
  - (i) performance management and reporting,
  - (ii) asset maintenance and enhancement,
  - (iii) funding decisions,
  - (iv) risk management practices.
- (d) Councils should have regard to achieving intergenerational equity, including ensuring the following:
  - (i) policy decisions are made after considering their financial effects on future generations,
  - (ii) the current generation funds the cost of its services

### **Chapter 3, 8C Integrated planning and reporting principles that apply to councils**

The following principles for strategic planning apply to the development of the integrated planning and reporting framework by councils:

- (a) Councils should identify and prioritise key local community needs and aspirations and consider regional priorities.
- (b) Councils should identify strategic goals to meet those needs and aspirations.
- (c) Councils should develop activities, and prioritise actions, to work towards the strategic goals.
- (d) Councils should ensure that the strategic goals and activities to work towards them may be achieved within council resources.
- (e) Councils should regularly review and evaluate progress towards achieving strategic goals.
- (f) Councils should maintain an integrated approach to planning, delivering, monitoring and reporting on strategic goals.
- (g) Councils should collaborate with others to maximise achievement of strategic goals.
- (h) Councils should manage risks to the local community or area or to the council effectively and proactively.
- (i) Councils should make appropriate evidence-based adaptations to meet changing needs and circumstances.
