Attachment 1 Side-by-Side Overview2

Australasian Off Road Vehicle Association

AORVA is not-for-profit independent association established in 2014 representing the Side-by-Side owner community and promoting responsible use and access.

Individual and family recreation with positive social experiences.

Outdoor recreation that fosters a responsible way of life.

Recreation that repairs personal stress and improves the 'work/life' balance.

Healthy outdoor physical activity for a diverse range of people's interests, physical abilities and ages.

Recreation that appreciates and respects Australia's unique natural environment.
