**Authority of the TMP**

This Traffic Management Plan (TMP) when approved by the relevant authorities becomes the prime document detailing the traffic and transport arrangements under which the Milton Ulladulla Rotary Club will proceed.

Changes to the TMP require the approval of Shoalhaven City Council, NSW Police and NSW Roads & Maritime Services where necessary.

Signatories to this TMP should normally be the agency's senior officer appointed to the operational command team for the event on the day.

In case of emergencies, or for the management of incidents, the NSW Police Force are not subject to the conditions of the TMP but will make every effort to inform the other agencies of the nature of the incident and the Police response.
