## REPORTS OF THE CONVENOR

### **TF26.1 Signage & Parking Restrictions - Aster Street - Hyams Beach (PN3880)**

**HPERM Ref:  
D26/23657**

#### **Recommendation**

That:

1. The Chief Executive Officer (Director City Services) be advised that the Shoalhaven Local Transport Forum has reviewed the proposed signage and parking restrictions along Aster Street, Hyams Beach, as per the above attachment (D26/29366).
2. The recommendation be approved by the Director City Services under delegated authority from Shoalhaven City Council - refer MIN21.411

#### **Recommendation (By consent)**

That:

1. The Chief Executive Officer (Director City Services) be advised that the Shoalhaven Local Transport Forum has reviewed the proposed signage and parking restrictions along Aster Street, Hyams Beach, as per the above attachment (D26/29366).
2. The recommendation be approved by the Director City Services under delegated authority from Shoalhaven City Council - refer MIN21.411

**This recommendation was approved by the Director City Services 24 February 2026.**

CARRIED

### **TF26.2 Seasonal 'No Stopping' Signage & Line Marking - Hyam Road - Hyams Beach (PN 3881)**

**HPERM Ref:  
D26/29707**

Ms Donna Binns – TfNSW noted that they agree with the proposal in principle. TfNSW encouraged Council to further discuss the recommendation with the community member who had raised concerns regarding the proposed 'No Stopping' zone across the frontage of their driveway, located at the corner of Hyam Road and Cyrus St, to help alleviate any issues during the installation.

Staff advised that:

- Council will further discuss the recommendation with the community member and provide them with information, working within the constraints of the master plan that has been adopted.

#### **Recommendation**

That:

1. The Chief Executive Officer (Director City Services) be advised that the Shoalhaven Local Transport Forum has reviewed the proposed signage and line marking along Hyam Road, Hyams Beach as per the above attachment (D26/29778).
2. The recommendation be approved by the Director City Services under delegated authority from Shoalhaven City Council - refer MIN21.411

#### **RECOMMENDATION (By consent)**

That:

1. The Chief Executive Officer (Director City Services) be advised that the Shoalhaven Local Transport Forum has reviewed the proposed signage and line marking along Hyam Road, Hyams Beach as per the above attachment (D26/29778).

2. The recommendation be approved by the Director City Services under delegated authority from Shoalhaven City Council - refer MIN21.411

**This recommendation was approved by the Director City Services 24 February 2026.**

CARRIED

<b>TF26.3</b>	<b>Residential Subdivision (217 lots) - 104 Taylors Lane - Badagarang - SF10804 - (PN 3882)</b>	<b>HPERM Ref: D26/42376</b>
---------------	---	-----------------------------

Ms Donna Binns – TfNSW noted that the plans submitted were based on an older approval and that guidance for movement and place treatments in NSW has been updated. She recommended that Council/the Developer refer to the Design of Roads and Streets (DORAS) manual and the current AS 1742.2 (2022) when considering contemporary safety improvements. She also advised that adding signs and linemarking could improve safety outcomes at this location.

Ms Donna Binns – TfNSW further noted that, as Road 10 will likely function as a collector road, the installation of Give Way (R1 2) signs and associated hold lines should be considered to align with AS 1742.2 application guidance and warrants. She notes that stencil concrete threshold areas and speed humps without linemarking may cause user uncertainty, and therefore signs and lines are recommended to support clarity and safety for all users.

Council Officers note that the submission complies with the valid development consent and relevant standards referenced by that consent. TfNSW's recommendations regarding additional Give Way (R1 2) signs, hold lines and linemarking are acknowledged as potential safety enhancements; however, they are not mandated in this context and may be considered at Council's discretion or through future operational review. The proposed threshold (material change) treatments are consistent with current guidance and the consented design. Officers also note the Transport Forum's role is to confirm compliance with consent and applicable standards and to record advisory recommendations; it does not vary or re condition approved designs.

### **Recommendation**

That:

1. The Chief Executive Officer (Director City Services) be advised that the Shoalhaven Local Transport has reviewed the proposed residential subdivision (217 lots) associated with the development application (SF10804) at 104 Taylors Lane, Badagarang, as per signage plan No. D26/35616
2. The recommendation be approved by the Director City Services under delegated authority from Shoalhaven City Council - refer MIN21.411

### **RECOMMENDATION (By consent)**

That:

1. The Chief Executive Officer (Director City Services) be advised that the Shoalhaven Local Transport has reviewed the proposed residential subdivision (217 lots) associated with the development application (SF10804) at 104 Taylors Lane, Badagarang, as per signage plan No. D26/35616
2. The recommendation be approved by the Director City Services under delegated authority from Shoalhaven City Council - refer MIN21.411

**This recommendation was approved by the Director City Services 24 February 2026.**

CARRIED

There being no further business, the meeting concluded, the time being 9:43am

David Pieresko  
CONVENOR
