TF26.22 Signage and Linemarking - Lighthouse Road - Beecroft Peninsula - Lot 51 DP 837775 - RW24/1198 - (PN 3902)	HPERM Ref: D26/236314
--	------------------------------

Ms Emma Pietruska - TfNSW supported the proposal, noting the design improvements, including pedestrian crossings and speed calming measures. Clarification was sought regarding the purpose of the 15-minute parking.

Council staff advised the short-term parking is intended to provide an opportunity for drivers, particularly those with trailers or caravans, to stop briefly at the site entrance to obtain information or confirm access arrangements, reducing the need to enter and turn within the car park unnecessarily.

Ms Emma Pietruska - TfNSW acknowledged the explanation and supported the approach.
