The Shoalhaven Traffic Committee is a technical review committee, not a committee of Council under the Local Government Act 1993. The Roads and Maritime Services (RMS) has delegated certain powers to Council under the Transport Administration Act 1988 (Section 50). A condition of this delegation is that Council must take into account the Traffic Committee recommendations.

There are four formal members of the Traffic Committee, *each of whom has a single vote only*. The members are representatives from:

- NSW Police Force
- RMS
- Shoalhaven City Council
- Local State Member of Parliament (for the location of the issue to be voted upon)

If the RMS or NSW Police Force disagrees with any Traffic Committee recommendation, or Council's resolution (on any Traffic Committee recommendation), they may lodge an appeal with the Regional Traffic Committee for determination. The appeal must be lodged in writing within 14 days of the date of notification in writing. Any action relative to any issue under appeal must cease until the matter is determined. The Regional Traffic Committee is chaired by an independent chairperson and submissions and representations are welcomed from all interested parties.

Council cannot amend a Traffic Committee recommendation. The Council can only: adopt the Traffic Committee recommendation; not adopt the Traffic Committee recommendation, or request the Traffic Committee reconsider the issue.

The full guide to the delegation to Council's for the regulation of traffic can be viewed at [RMS Website](#)

TC19.19 Proposed Bridge Closure - Long term closure signage (PN 3538)

HPERM Ref: D19/108965

Convenor: Tom Dimec

Attachments: 1. Proposed Bridge Closure - Long term closure signage (PN 3538) [↓](#)

Recommendation

That the General Manager (Director Assets and Works) be advised that the Shoalhaven Traffic Committee has no objection to the proposed works, as detailed in the attached plan.

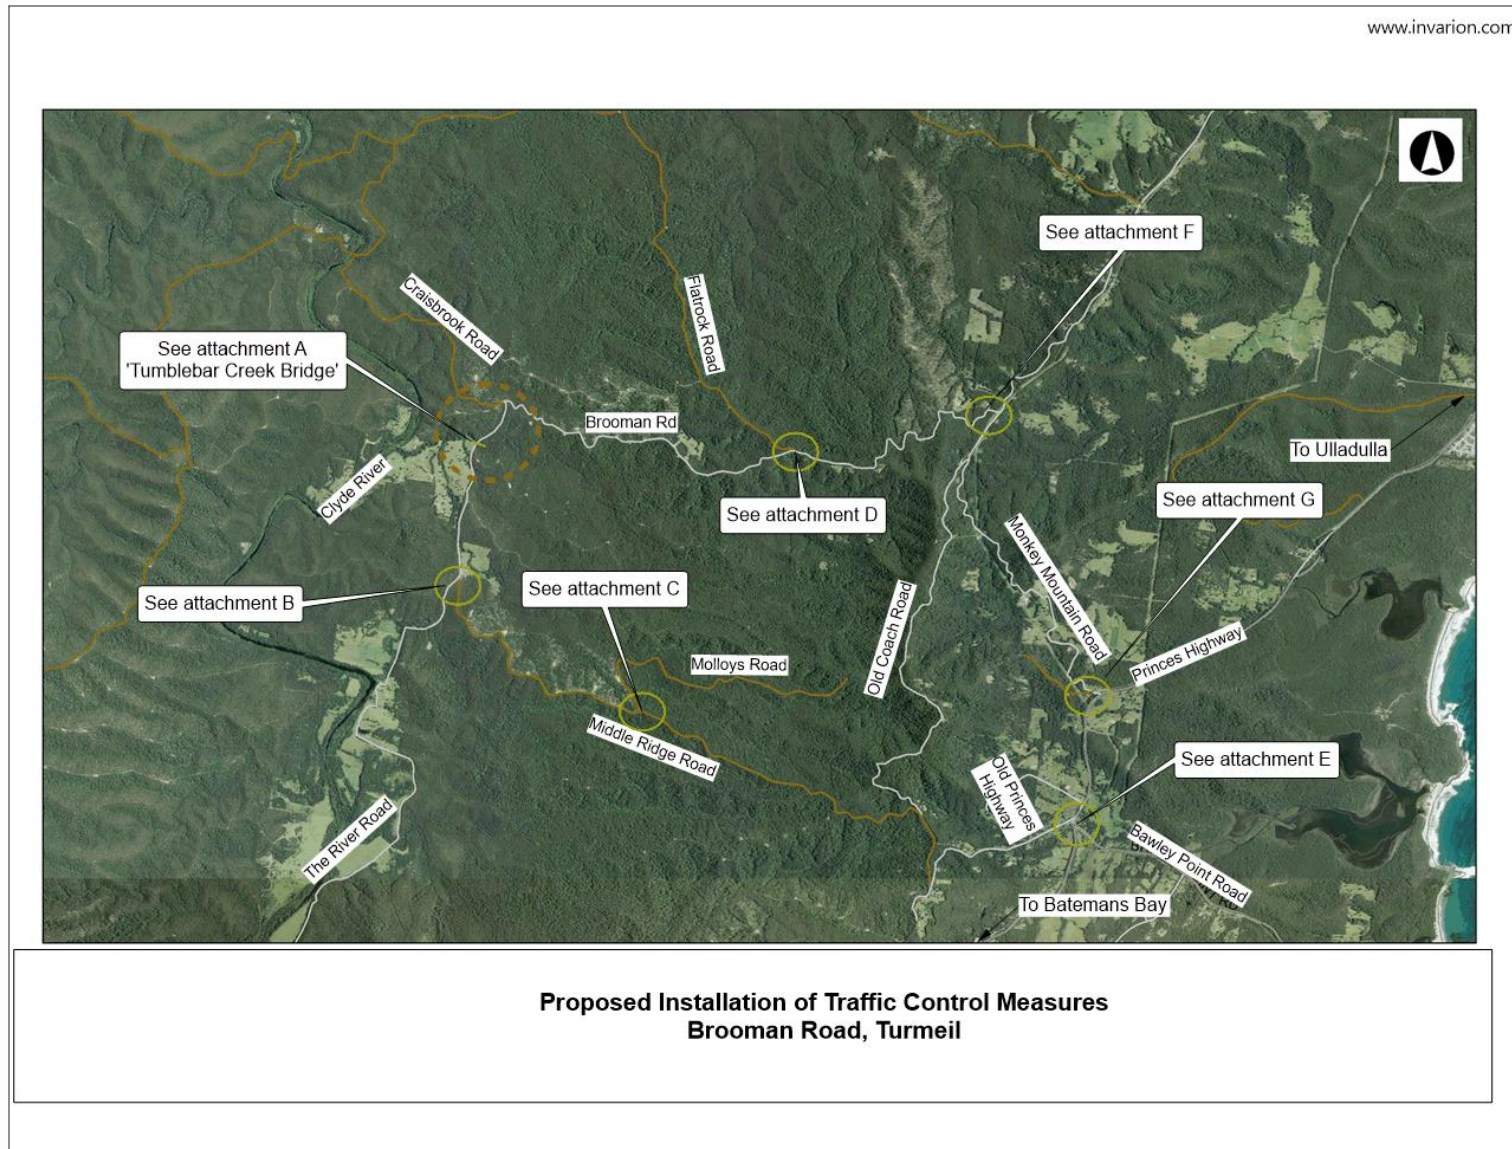

Details

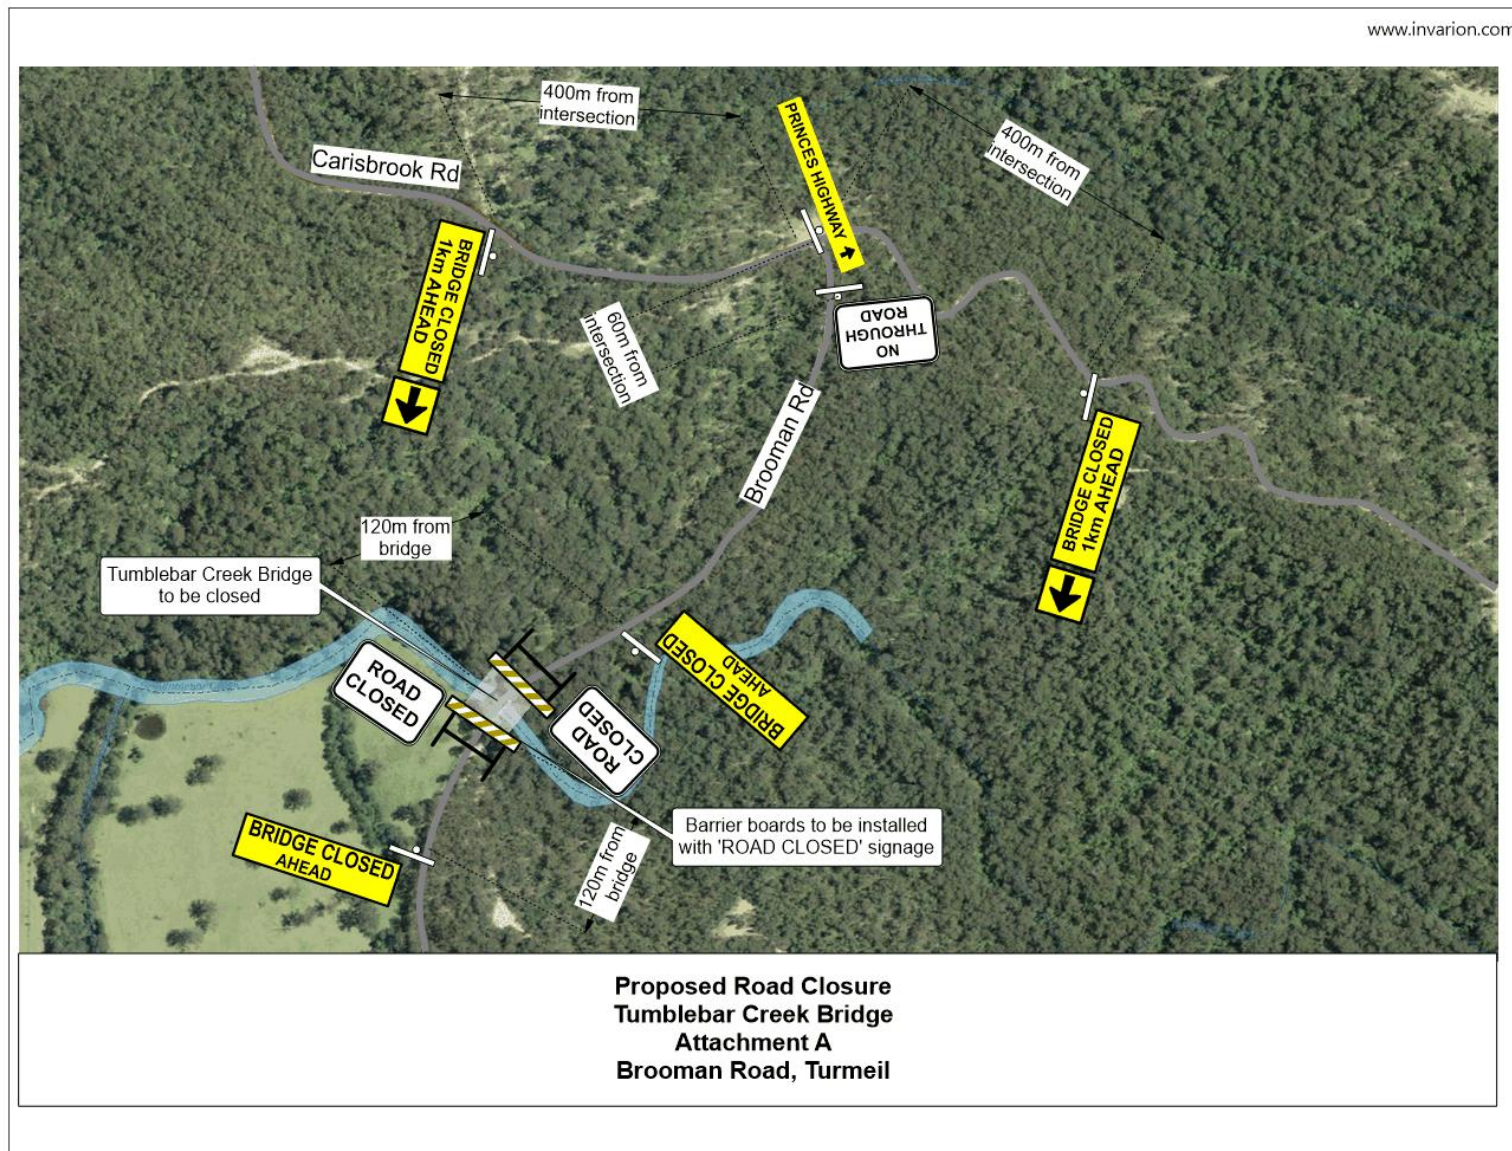

Council has been requested to review the roads leading to the Tumblebar Creek Bridge, Brooman. As the Tumblebar Creek Bridge is being closed until further notice, signage would be required to warn residents planning to travel through the area as well as to indicate detour routes.

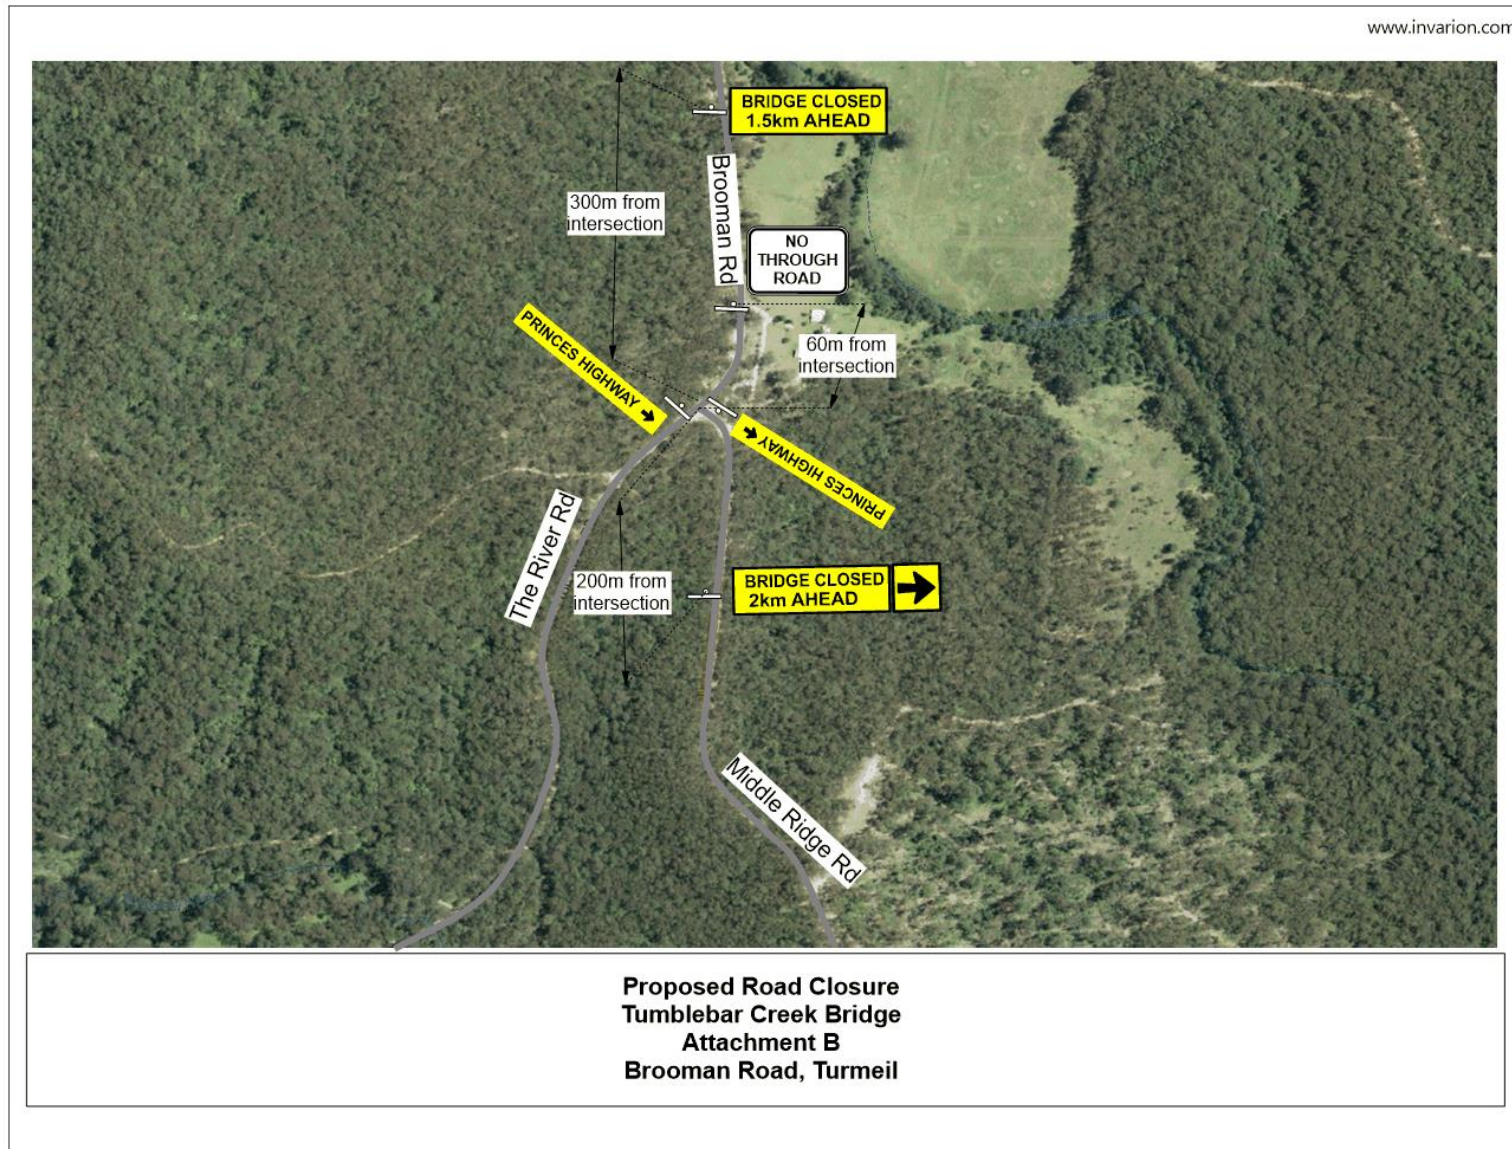

To address the request, Council's traffic unit are considering the installation of signage as per the attached plan.

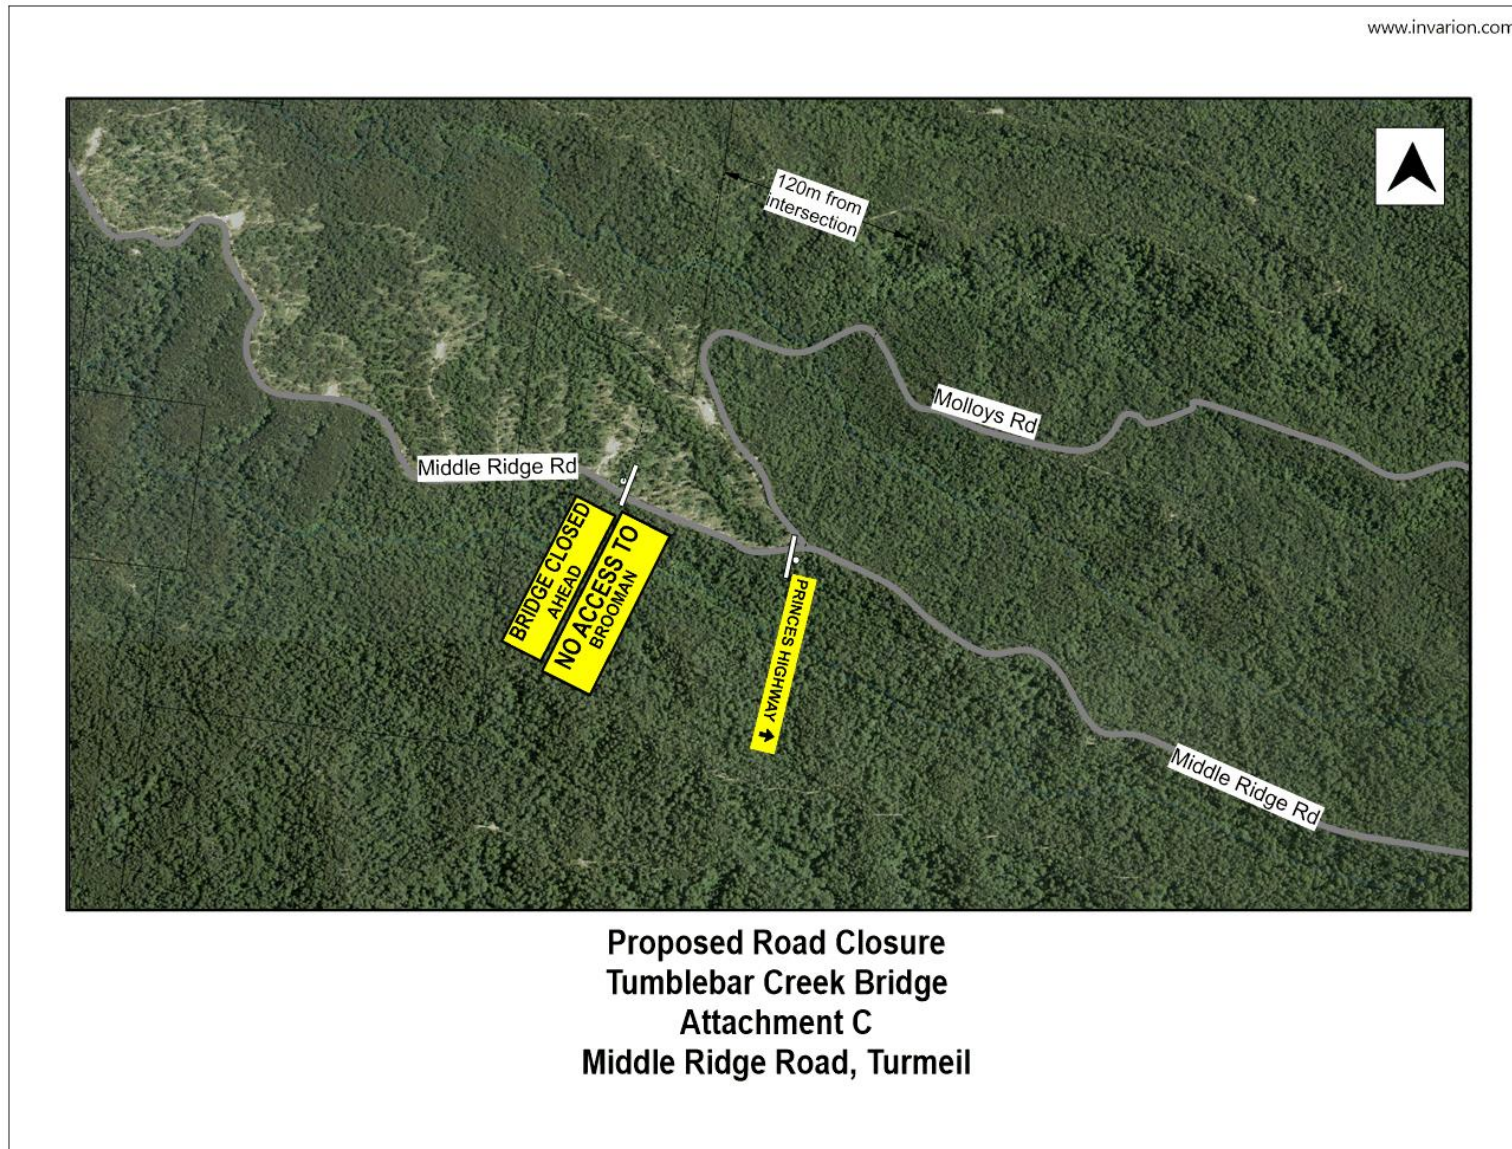

The impact of this proposal will result in the Tumblebar Bridge closure having minimal impact on the surrounding residents and passing traffic by providing sufficient advisory and warning signage of the bridge's closed status as well as alternate routes indicated throughout main catchment roads.

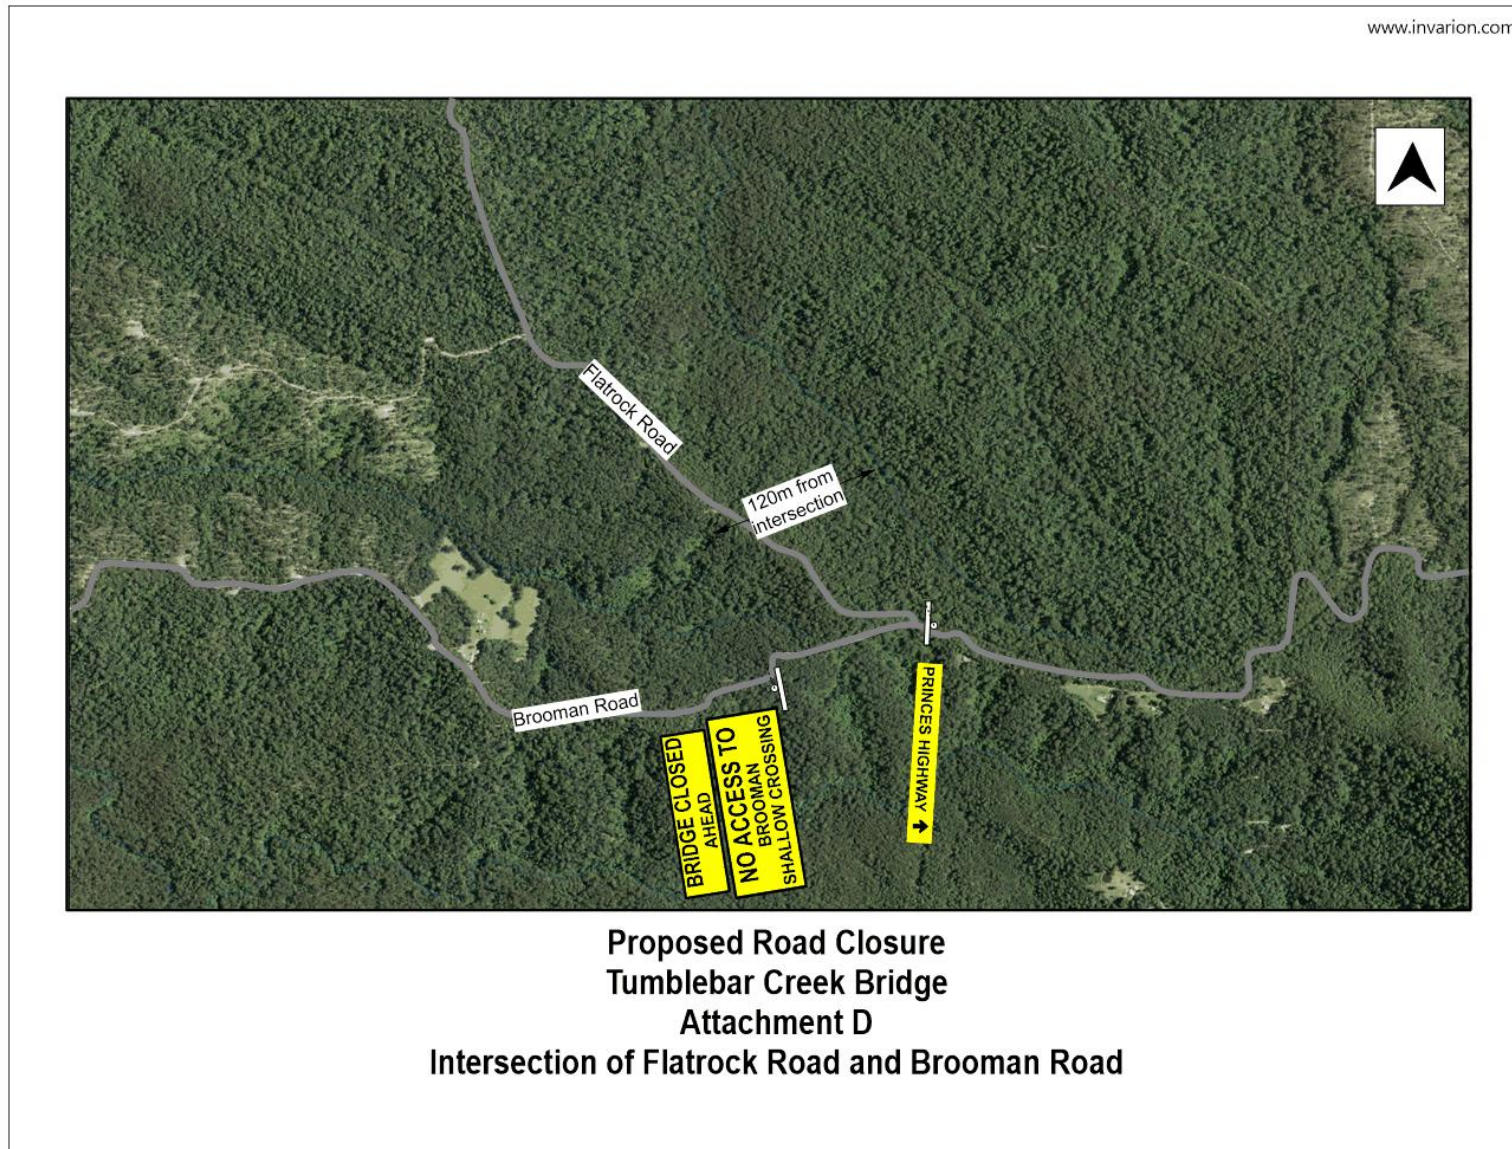

Consultation was undertaken with the affected properties. It was determined that the degree of signage along the main affected roads was comprehensive enough to indicate the closure of Tumblebar Creek Bridge.

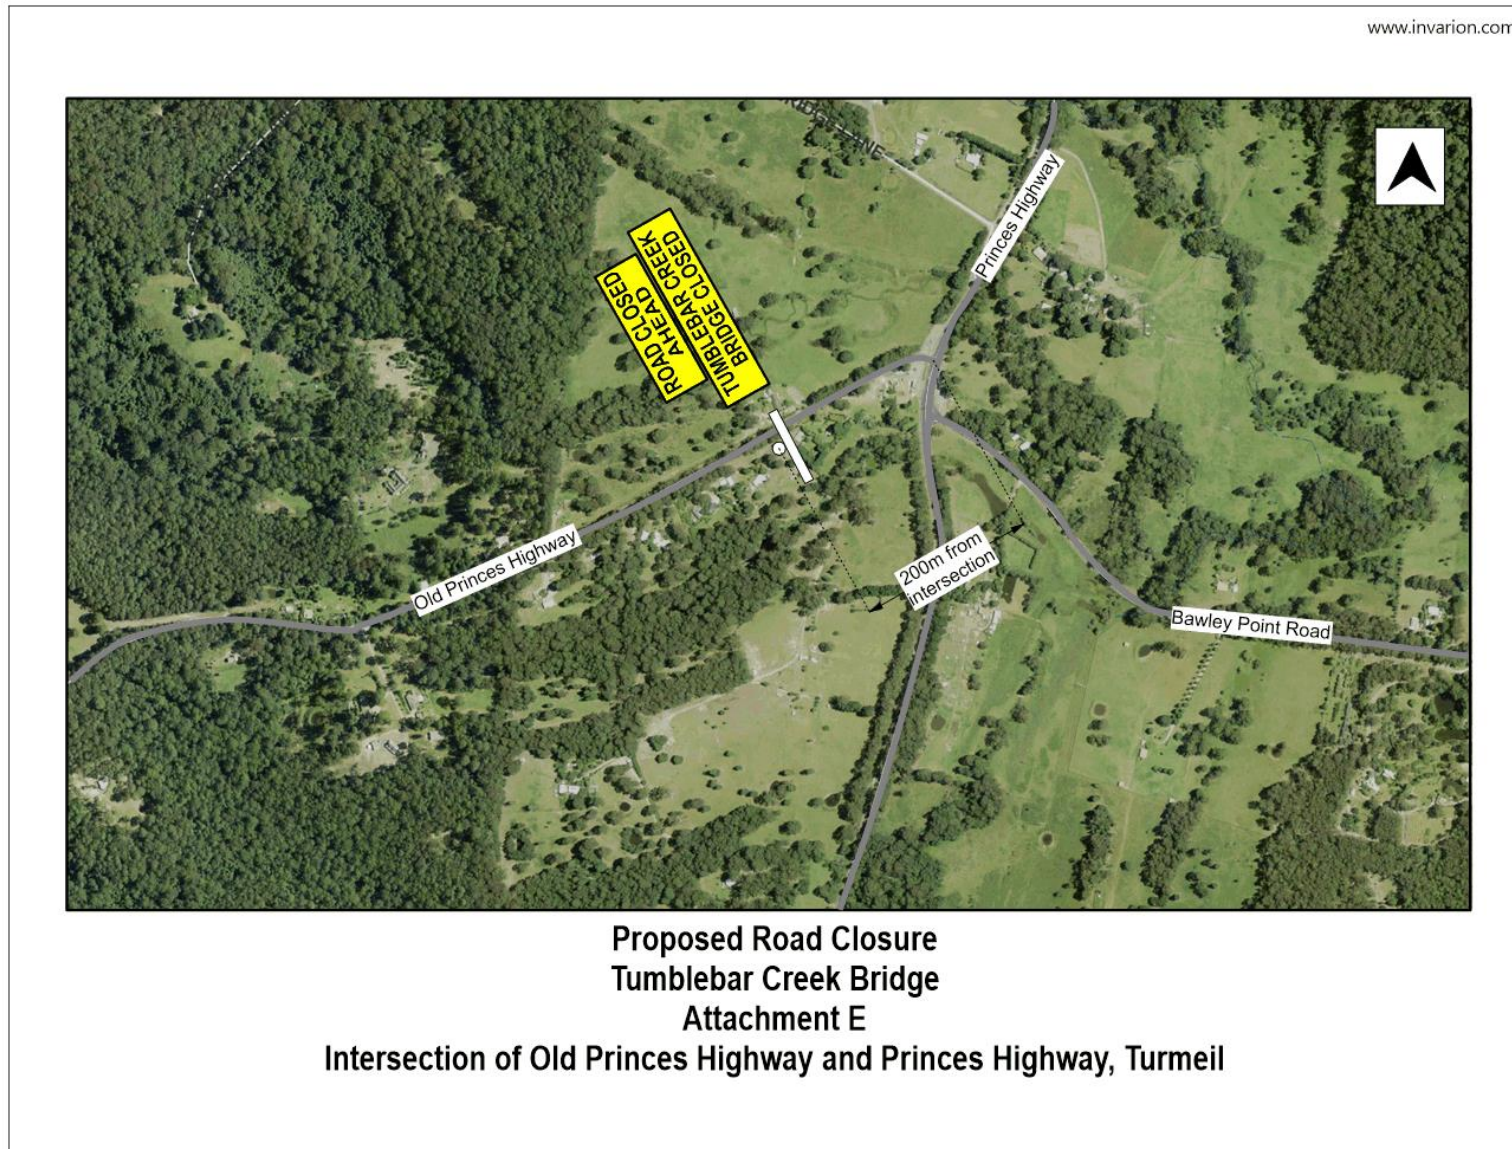

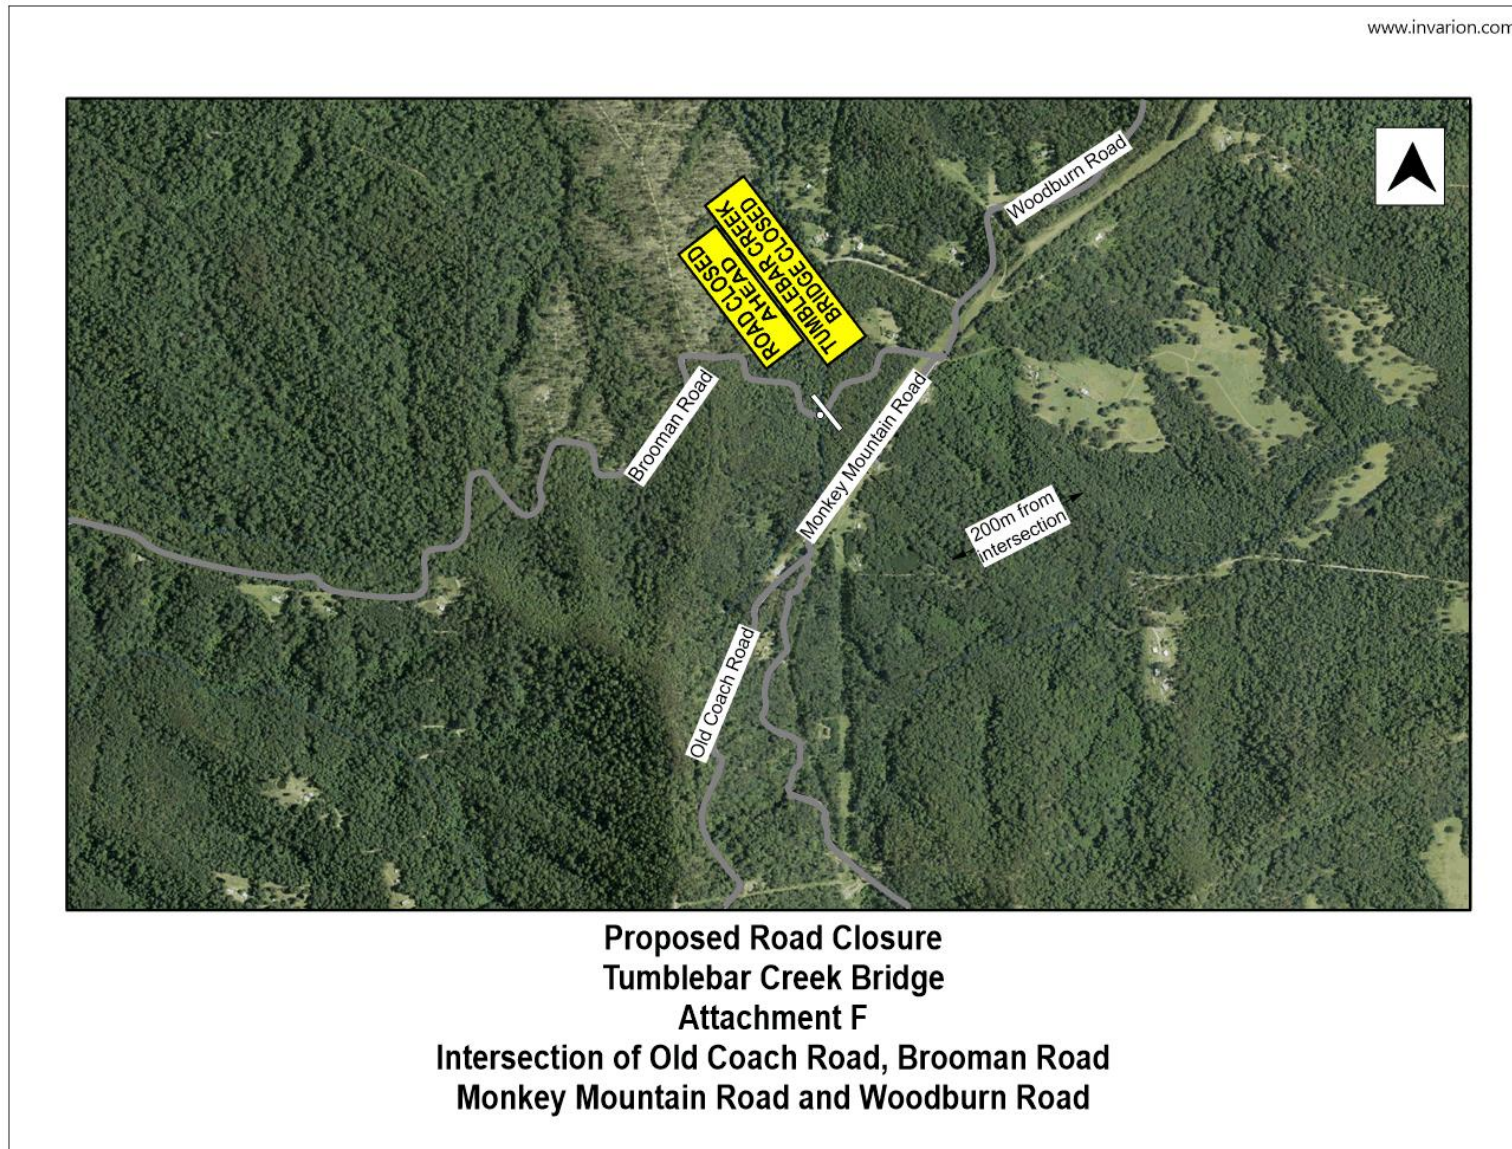

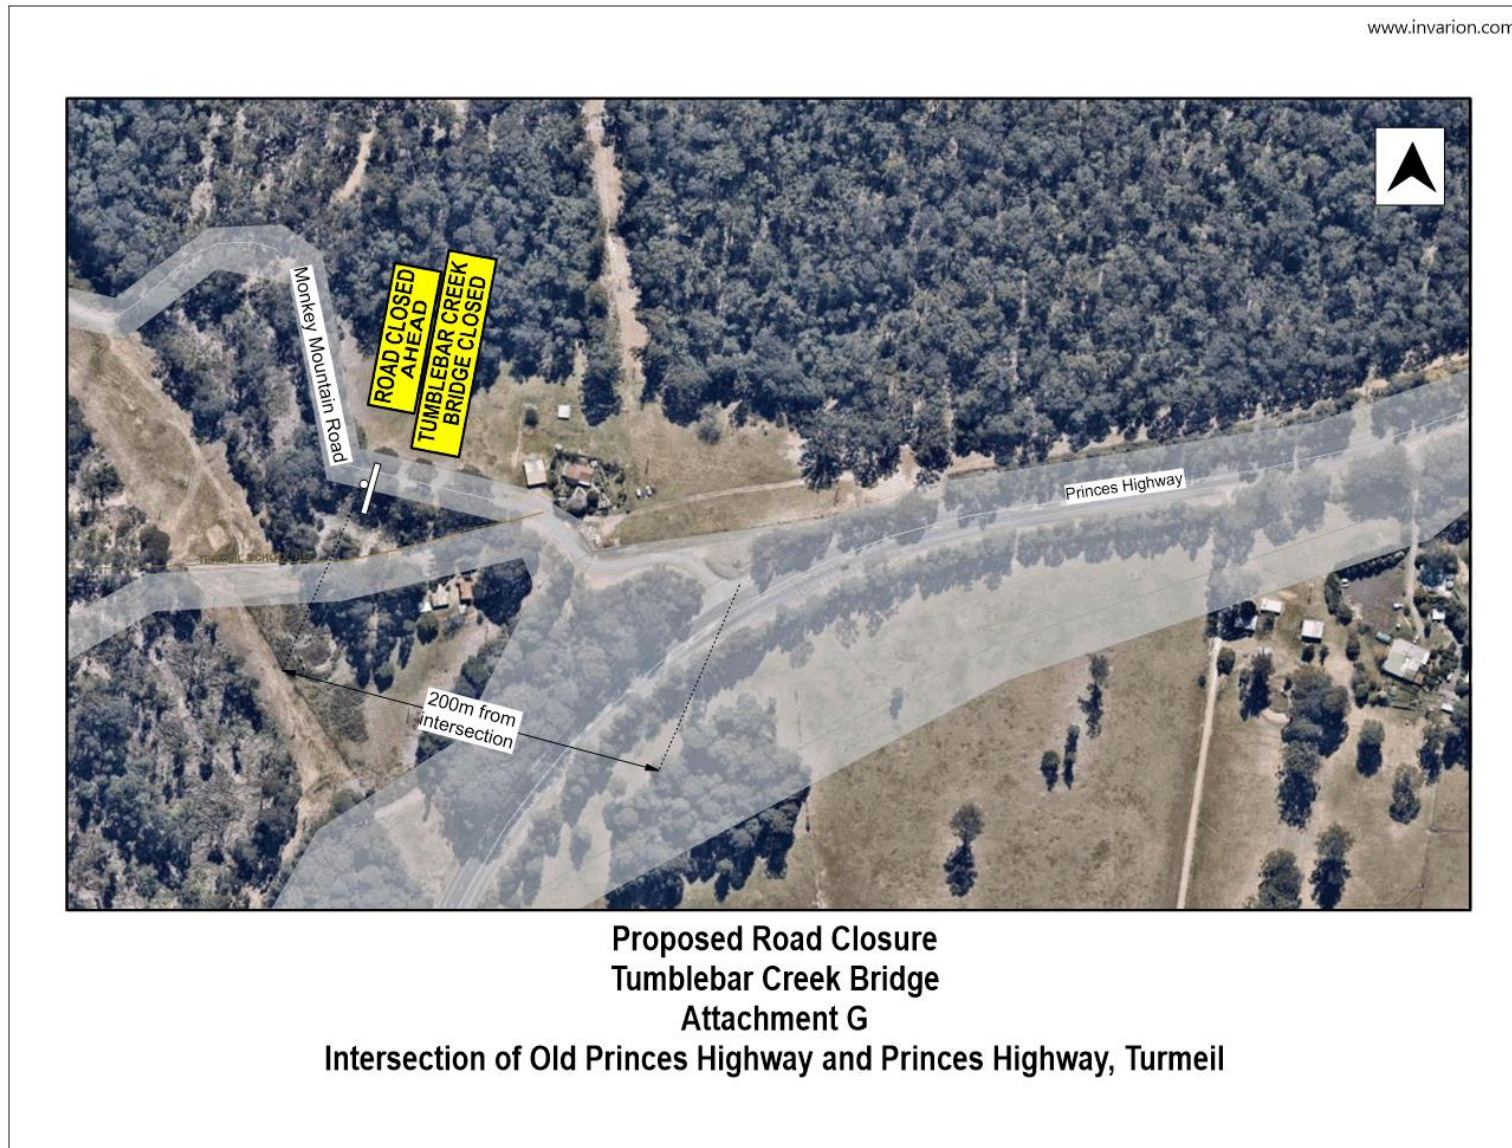

TC19.20 Proposed Line Marking - The Lake Circuit Culburra Beach (PN 3539)

HPERM Ref: D19/109042

Convenor: Tom Dimec

Attachments: 1. Proposed Line Marking - The Lake Circuit Culburra Beach (PN3539) [↓](#)

Recommendation

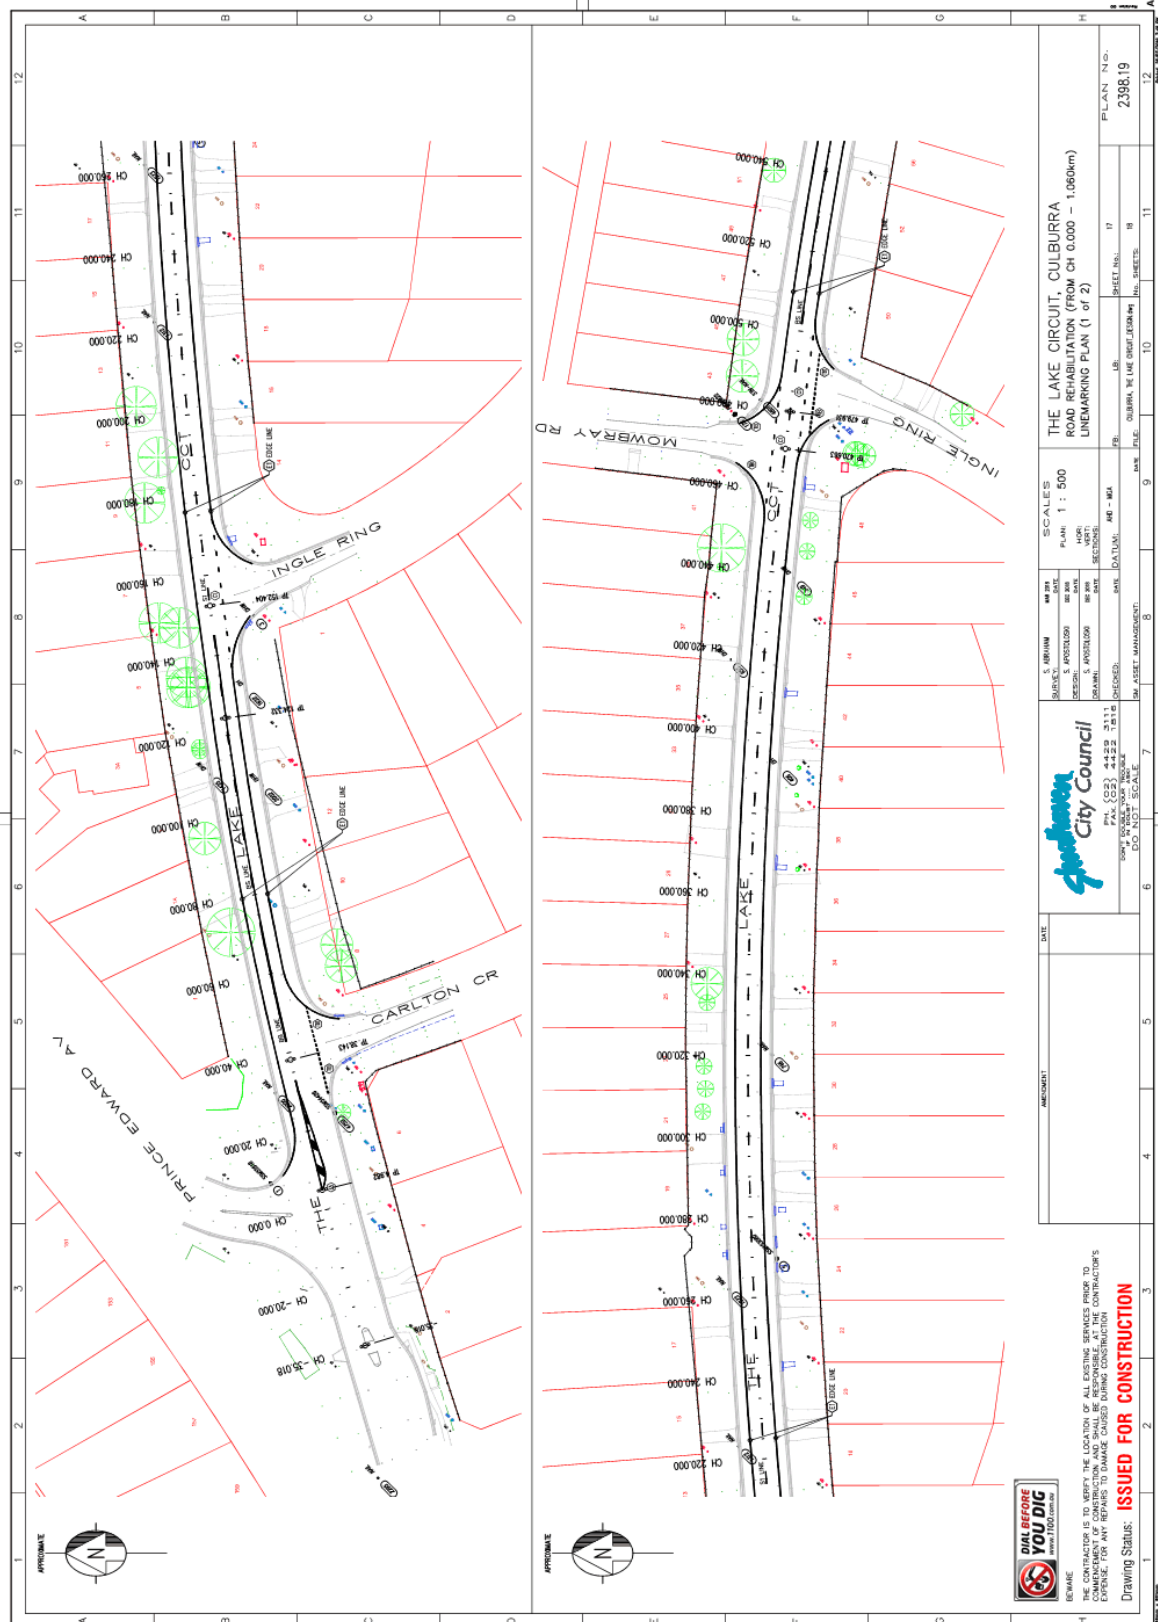

That the General Manager (Director Assets and Works) be advised that the Shoalhaven Traffic Committee has no objection to the proposed line marking works on The Lake Circuit, Culburra Beach from CH0 to 1.065km, as detailed in the attached plan.

Details

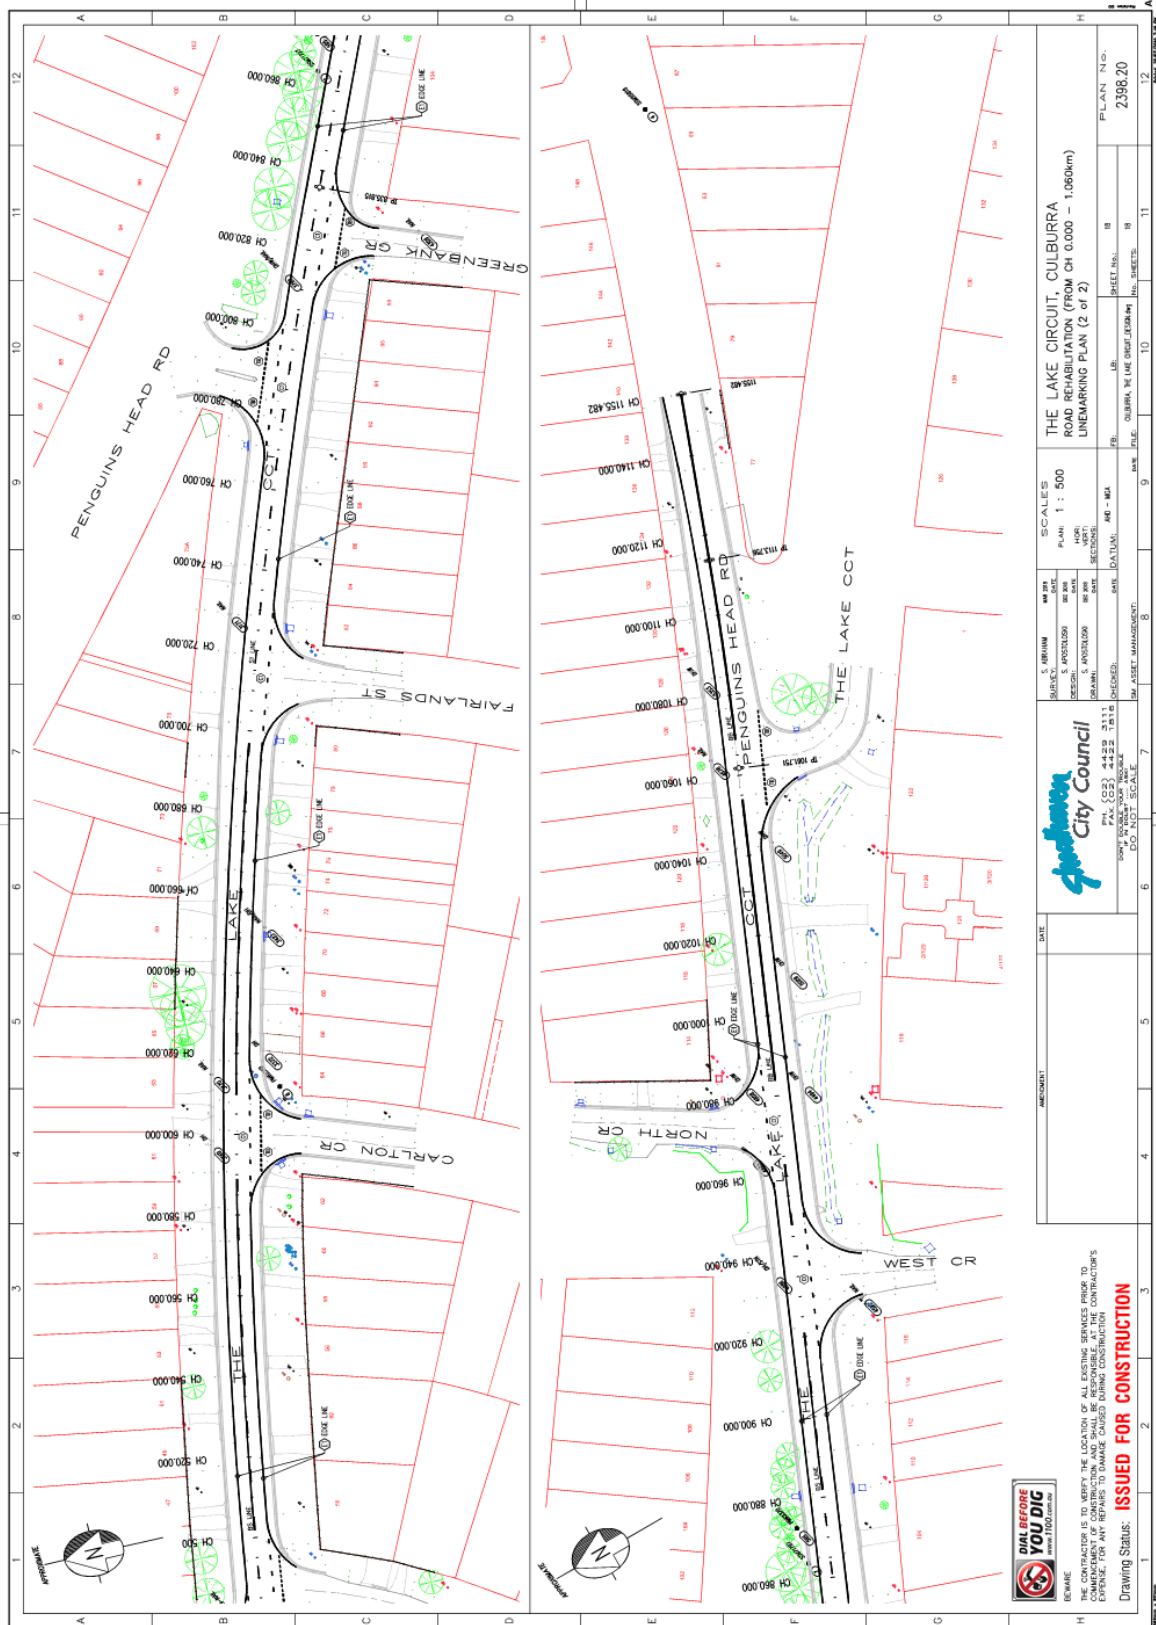

Council has been requested to review the installation of edge line markings as part of the road rehabilitation project along The Lake Circuit, Culburra Beach.

A line marking plan has been submitted for the Committees consideration, which proposes to install edge line marking between chainages 0km and 1.065km in accordance with the approved project. The centreline marking will be remarked as per the existing condition. It is proposed to install new double barrier (BB) centreline marking from chainage 1.070km to 1.155km, linking to existing BB centreline marking.

The line marking will delineate 2 x 3.2m wide lanes.
