2.1. Recommend to Council possible refinement of, and improvements to, the 'Revitalising Nowra Action Plan (2021-2023)' and the broader Nowra CBD Revitalisation Strategy as the committee considers appropriate.

2.2. Develop a list of projects (with estimated costings) for Council to consider/prioritise over a rolling three year time frame, that will assist in achieving the ten elements of the Nowra CBD Revitalisation Strategy. The list is to be presented to an Ordinary Meeting of Council in February each year, and thus adopted by the Council.

2.3. Make a formal submission to Council's annual capital works budget as it relates to the Nowra CBD, in accordance with Council's budgeting process.

Directors Note:

An option for alternative recommendation as follows:

CBD23.7 Taxi Rank - Junction Street - (near) Subway

HPERM Ref: D23/8761

Submitted by: Scott Baxter

Recommendation

That in relation to relocating the Nowra CBD Taxi rank locations:

- 1. The CEO (Director City Services) investigate and report back to the Committee targeting the May 2023 meeting on the following:
 - a. Kinghorne Street near Coles/Aldi; and
 - b. Near Telstra building, Stewart Place Bus Terminal.
- 2. The report include:
 - a. Feasibility of the project
 - b. Funding options for investigation and design
 - c. Funding options for construction

Details

With the recent upgrade of Junction Street, it would be good to continue the upgrade further down Junction Street. The taxi rank would be better positioned near Aldi, Coles and Woolworth's and a traffic island be created so people from Woolworths can easily cross. Also a taxi rank near the bus terminal is a common sense location for people getting off buses.
